## **Nassau Inter-County Express (NICE)**

### **Application for Able-Ride Complementary Paratransit Service**

Dear Applicant:

The Americans with Disabilities Act of 1990 (ADA) is a civil rights bill that prohibits discrimination against people with disabilities. The intent of ADA is to ensure that persons with disabilities who cannot use the regular fixed route bus have equal access to public transportation. The specialized transportation offered by Able-Ride is a curb-to-curb shared ride service for eligible individuals who are prevented from accessing, boarding or riding the regular fixed route bus service. Able-Ride is NOT a medical or ambulate service.

NICE is required by the ADA to determine eligibility for Able-Ride service. Categories of eligibility for **Nassau County's Able-Ride service is as follows:**

- **Persons who are unable to board, ride, or disembark from a fixed route bus, regardless of their ability to get to a bus stop.**
- **Persons with specific impairments who cannot travel to a bus stop to board the fixed route bus, or travel to their final destination after disembarking from the fixed route bus.**

If you believe your disability may fit into one of the categories described above, you must apply for certification by completing the attached "Paratransit Application" form. In addition, a New York licensed professional (i.e., physician, physical/occupational therapist or social worker) who is familiar with your functional ability must verify your application.

Please remember that your age, disabilities or distance from a bus stop, do not automatically make you eligible for paratransit service.

In addition to completing this application you must submit one (1) recent headshot in color (measuring 2” inches in length X 2 inch in width and taken within the last year). Tape the photo to the box on page 5 of this application. The photo must have a solid background and show a full frontal view of your face. Your application will not be considered complete unless the photo is included.

Your application will be considered complete once all questions have been answered, a photo has been attached and your licensed/certified professional has completed Part B. Return this application to the NICE Able-Ride Certification Department. Able Ride will provide a decision as to your eligibility within **21 days, once the completed application is received.**

## **NICE Paratransit Application SERVICE AREAS**

Nassau Inter-County Express is an origin to destination paratransit service for Nassau County servicing approximately two miles into Nassau/Suffolk County border.

Able Ride does **NOT** provide paratransit complementary service in the following areas: Syosset, Bayville, Oyster Bay, Lido Beach, Point Lookout, Locust Valley and Sands Point.

Able Ride provides **PARTIAL** service in the following areas: Valley Stream, Woodmere, Old Bethpage, Hicksville, Long Beach, Glen Cove, Plainview and Lawrence.

Under the ADA Federal Guidelines the service areas are deemed in compliance when both pickup and drop off locations are within **¾ mile radius** of an N.I.C.E operating fixed route **BUS STOP**. The serviceable times are in accordance with the closest fixed route bus schedule.

If your pickup location (ex: home address) is not a serviceable location you may still utilize the paratransit service by using any address that fulfills the required ADA ¾ mile radius service rule. The applicant must however get him/her self to the serviceable pickup location by their own means.

If you are interested in traveling outside Nassau County borders please call 516-228-4000 for more information or go to [www.nicebus.com](http://www.nicebus.com) (Able Ride pull down menu then click on Able Ride again)
